Cradle to Cradle Reuse Program

January 1, 2008

SelecTech's proprietary manufacturing processes allow it to take back product at the end of its useful life and reuse it in the production of new products.

Return for Reuse:

- ✚ In the future, if tiles are removed during a renovation or at the end of their useful life, they can be shipped back to a destination designated by SelecTech
- ✚ Return shipments are at customer's expense
- ✚ Returns will receive a credit which will be applied against future purchases of new products
 - Returned ESD products will be credited at \$0.20 per pound.
 - Returned standard products will be credited at \$0.10/lb
 - Credits will be applied in an amount not to exceed 20% of any single Purchase Order amount.
 - Unused credits may be used for up to 3 years from the date of the return.

Criteria for Return:

- ✚ Returned product must be clean, dry, and free of all debris
- ✚ Packaging for Shipment:
 - Tiles may be neatly stacked on 40x48 pallets and tightly stretch-wrapped to ensure integrity in shipment.
 - Alternatively, tiles may be loaded into double walled Gaylord boxes and shipped on skids
 - Returned product may not be double stacked.
 - Credits will be based on the net weight of complying product returned.
 - Products shipped on pallets will be net of 40 lbs/pallet
 - Products shipped in gaylords will be net of 75 lbs/box
 - Deductions will be taken for noncomplying shipments

Reuse Return Authorizaton

- ✚ Contact SelecTech Toll Free at 877.738.4537 to obtain authorization to return used product. Reference should be made to the original purchaser of the product. SelecTech will provide an authorization form with a "ship to" address for the return
- ✚ Following receipt and inspection of the returned materials a credit will be issued in the name of the original purchaser.
- ✚ Credits may not be assigned or transferred.
